

Delta Dental of Illinois is pleased to be your dental benefits carrier. Your group plan offers you the dental benefits program: Delta Dental PPO *Plus* Delta Dental Premier.

Delta Dental PPO Plus Premier

On the reverse side of this sheet is a summary of your plan coverage.*

With Delta Dental PPO Plus Premier:

- You can go to any licensed general or specialty dentist.
- **You will maximize your benefits by receiving care from a Delta Dental PPO or Delta Dental Premier network dentist.**
- Delta Dental's network dentists have agreed to reduced fees as payment in full, which means you will likely save money by going to a Delta Dental PPO or Delta Dental Premier network dentist. Non-network dentists have not agreed to accept our reduced fees as payment in full, which means they may bill you for any charges over our allowed fees.
- You are charged only the patient's share** at the time of treatment. Delta Dental pays its portion directly to network dentists.

Network Information

You may choose to go to any licensed optometrist, ophthalmologist and/or dispensing optician whenever you need vision care. However, there may be significant cost advantages when you receive treatment from an in-network provider.

We offer two easy ways to locate an in-network provider 7 days a week, 24 hours a day. You can either:

- search our online Provider directory at www.deltadentalil.com/deltavision; or
- use the automated phone system by calling 1-866-723-0513

Using Your Vision Program

1. Have your DeltaVision information card available when scheduling and visiting an in-network provider. An in-network provider participates in the EyeMed Vision Care Provider network. **It's very important that you know which network your benefit plan utilizes (your plan uses the Select network).** You will only receive in-network benefits from Select network providers.. Please note: the network provider will need the primary enrollee's name and date of birth to verify eligibility.
2. Pay your copayment and any other charges not covered at the time of service. No paperwork is required. You continue to save on additional eyewear purchases any time you present your card to an in-network provider.
3. If you select a provider who is not in the network, you do not receive preferred pricing and you may be asked to provide full payment to your out-of-network provider at the time of service. To receive benefit reimbursement, submit a completed claim form (available on our website), along with itemized receipts from your provider and your prescription to:
